

2.5.1
Average number of days from the date of last semester- end/ year- end examination till the last date of declaration of results year-wise during the last five years

Preamble

The efficiency of the examination process is crucial for maintaining academic integrity and ensuring timely feedback for students. The following data provides the average number of days between the last semester-end or year-end examination and the declaration of results over the past five years. This metric highlights MITADTU's effectiveness in processing and evaluating examinations, reflecting its commitment to prompt and transparent academic assessments. By optimizing this timeframe, MITADTU supports timely academic progress and helps students plan their future academic and career endeavors with clarity.
