

### 2.5.2

## Percentage of student complaints/ grievances about evaluation against total number of students appeared in the examinations during the last five years

### Preamble

Monitoring and addressing student complaints or grievances related to evaluation processes is essential for maintaining fairness and transparency in academic assessments. The following data presents the percentage of student complaints or grievances about evaluation, relative to the total number of students who appeared in examinations over the last five years. This metric reflects MITADTU's commitment to ensuring a robust grievance redressal system and upholding academic integrity. By actively addressing evaluation-related concerns, MITADTU demonstrates its dedication to continuous improvement and student satisfaction.
