

2.5.3

Status of automation of Examination division along with approved Examination Manual/ordinance

- A. 100% automation of entire division & implementation of Examination Management System (EMS)**
- B. Only student registration, Hall ticket issue & Result Processing**
- C. Only student registration and result processing**
- D. Only result processing**
- E. Only manual methodology**

Preamble

MITADTU has made significant strides in automating its examination division, leading the way among private universities in this regard. The following data details the current status of our advanced automation systems, which enhance operational efficiency and streamline examination processes. Additionally, it includes information on the approved Examination Manual or Ordinance, which provides the framework for our examination policies and procedures. This reflects MITADTU's commitment to leveraging technology for improved administrative functions while maintaining rigorous standards.
