**The institution has stated learning outcomes (Program and Course outcomes)/graduate attributes which are integrated into the assessment process and widely publicized through the website and other documents and the attainment of the same are evaluated by the institution**

**Preamble**

The University has clearly defined learning outcomes, including Program Outcomes (POs) and Course Outcomes (COs), as well as graduate attributes that are integrated into the assessment process. These outcomes are widely publicized through the institution's website and other relevant documents. The attainment of these outcomes is carefully evaluated and reviewed regularly. The following documents provide a detailed account of the attainment for various programs:
