

**3.1.3
Percentage of teachers receiving national/ international fellowship/financial support by various agencies for advanced studies/ research**

Preamble

MITADTU actively encourages its faculty members to pursue advanced studies and research by securing national and international fellowships and financial support from various agencies. Over the last five years, a significant percentage of teachers have received these prestigious opportunities, reflecting the institution's commitment to fostering a culture of academic growth and research excellence. By availing such fellowships, faculty members not only enhance their expertise but also contribute to the global exchange of knowledge, ultimately benefiting the institution's academic ecosystem. This metric highlights MITADTU’s assurance in supporting faculty development and promoting research excellence. Details of the same are accessible below.
