3.2.2
Number of research projects per teacher funded by government, non-government, industry, corporate houses, international bodies

Preamble

MITADTU actively encourages its faculty to pursue funded research projects, fostering a culture of academic inquiry and innovation. Over the last five years, faculty members have successfully secured research projects funding from various agencies. These projects, led by Principal Investigators from various departments, reflect MITADTU's commitment to contributing to national and global research needs. The funding secured not only supports individual research but also strengthens the institution's overall research output and its contribution to society. The details of the projects with the required documentation can be accessed below.
