

3.3.2

Number of awards received for research/ innovations by the institution/teachers/research scholars/students

Preamble

MITADTU takes pride in fostering a research-driven environment that encourages innovation across all levels—faculty, research scholars, and students. Over the past five years, several awards have been received in recognition of the institution's contributions to research and innovation. These accolades reflect the commitment of MITADTU's academic community towards excellence and their active participation in advancing knowledge and solutions in various fields. The achievements demonstrate MITADTU's role as a hub for research, driving impact both locally and globally. The documents of the awards are consolidated and can be accessed from the table below.
