MIT-ADT
UNIVERSITY
PUNE, INDIA
A Leap Towards World Class Education

3.4.6
E-content is developed by teachers

Preamble

This section highlights the development of e-content by faculty members at MIT ADT University. The creation of digital educational resources is integral to enhancing the learning experience and ensuring accessibility for all students. The documents linked below showcase e-content developed for various platforms, including SWAYAM, other MOOC platforms, and the institutional Learning Management System (LMS). The following links can be accessed to know more details.

Sr. No.	Name of the Document	Document Link (Click or Ctrl + Click)
