Preamble

MITADTU has established numerous functional MoUs and linkages with national and international institutions and industries over the past five years. These collaborations have facilitated internships, on-the-job training, project work, and student and faculty exchange programs, enhancing both academic and professional growth. Additionally, they have promoted collaborative research, fostering a global outlook and innovation-driven learning environment. The year-wise data below reflects the institution's strategic partnerships, contributing significantly to its educational and research endeavors.
