

4.2.2

Percentage expenditure for purchase of books/ e- books and subscription to journals/e-journals during the last five years (INR in Lakhs)

Preamble

Over the past five years, the institution has steadily increased its investment in academic resources, with a dedicated focus on purchasing books, e-books, and subscribing to journals and e-journals. Recognizing the importance of a well-rounded and up-to-date repository of knowledge, this expenditure aims to enhance the academic experience by providing students and faculty with access to both traditional print resources and the latest digital content. By expanding its library's holdings and digital subscriptions, MITADTU ensures that learners and researchers have the tools they need to engage with current developments in their fields. The year-wise breakdown below reflects MITADTU's commitment to fostering a culture of learning and research through comprehensive resource availability.
