

**4.4.1**  
**Percentage expenditure incurred on maintenance of physical facilities and academic support facilities excluding salary component during the last five years**

**Preamble**

The institution places significant emphasis on maintaining its physical infrastructure and academic support facilities to ensure a conducive learning and working environment. Over the last five years, a substantial percentage of the budget, excluding the salary component, has been allocated towards the upkeep of classrooms, laboratories, libraries, and other essential facilities. This expenditure reflects the institution's proactive approach to facility management, ensuring that both physical spaces and academic resources remain fully functional and equipped to meet the needs of students and faculty alike. The year-wise data provided below demonstrates the institution's commitment to maintaining high standards of infrastructure and academic support.
