Prof. Dr. Suraj Bhoyar

Office of Student Affairs & Success

MIT-ADT University, Pune

CLUB CATALYST

THE PSYCHOLOGY CLUB

The Psychology Club is a vibrant community dedicated to promoting holistic wellness and resilience. Through engaging events and workshops, they empower individuals to explore the interconnectedness of mind and body, offering tools for managing stress, practicing self-care, and fostering mental fitness. With a vision focused on achieving fulfillment through physical and mental well-being, the club invites all to join in their journey of self-discovery and empowerment.

INSTITUTION'S INNOVATION COUNCIL

The Institution's Innovation Council (IIC) is a dynamic platform dedicated to fostering a culture of innovation and entrepreneurship within the institution. With a commitment to nurturing creativity at all levels, the IIC provides a diverse array of programs and workshops aimed at empowering individuals to transform their ideas into practical solutions. Encouraging interdisciplinary collaboration and knowledge-sharing, the council cultivates an environment where groundbreaking ideas can thrive. Through its continuous efforts to inspire, support, and celebrate innovation, the IIC creates a vibrant ecosystem where individuals can make a meaningful impact with their innovative ideas.

SWIFT CODING CLUB

The MIT Swift Coding Club is a dynamic community dedicated to empowering students with essential coding skills and fostering a passion for innovation through the Swift programming language. Committed to driving creativity and excellence, the club offers workshops, hackathons, and coding challenges to challenge and inspire budding developers. With a vision of coding as a key to limitless opportunities, the club aims to empower individuals to explore boundless creativity and innovation, envisioning a future where coding is an essential component of the global workforce.

THE ALPHA CELL

The Alpha Cell, is where artists of all backgrounds converge in an enriching environment designed to cultivate their skills and fuel their artistic passions. This dynamic community is dedicated to nurturing talent and encouraging artistic exploration through a variety of engaging activities, including exhibitions, workshops, and collaborative projects. Members of The Alpha Cell are empowered to push the boundaries of their imagination, develop their unique artistic voices, and gain confidence in their craft. Join The Alpha Cell to immerse yourself in a supportive network that champions creativity, fosters personal growth, and celebrates artistic achievement.

ACES

ACES MITSOE, a dynamic academic community, prioritizes student happiness and holistic development. With a focus on enhancing the student happiness index, it spearheads transformative change through innovative curricular and co-curricular initiatives. Committed to nurturing well-being and empowerment, ACES MITSOE fosters a sense of purpose and belonging through progressive programs and policies.

BIKERS COMMUNITY

The Bikers Community is a tight-knit group of riders bound by their love for the open road and the thrill of adventure. With a motto of "Freedom, Adventure, Camaraderie," they provide a platform for enthusiasts to connect, share stories, and embark on unforgettable journeys together. From scenic cruises to tackling challenging routes, members find solace and excitement in the freedom of the ride

GEEKS FOR GEEKS

The Geeks For Geeks Student Chapter is a dynamic community dedicated to fostering collaboration and innovation in technology and computer science. With a focus on empowering aspiring programmers and tech enthusiasts, the chapter provides a vibrant platform for exploration in coding, problem-solving, and software development. Through engaging workshops, hackathons, and guest lectures, the chapter cultivates a culture of continuous learning and skill enhancement, equipping students with the latest tools, resources, and industry insights. Driven by a shared passion for innovation and intellectual curiosity, it serves as a catalyst for personal and professional growth, inspiring the next generation of tech leaders to think creatively.

COGNISANCE

Cognisance - where gaming passion meets camaraderie. This vibrant club ignites excitement and fosters a sense of belonging among gamers of all levels. With a motto centred around embracing the thrill of virtual adventure, Cognisance offers a diverse range of activities, from casual gaming sessions to competitive tournaments. Encouraging friendly competition and teamwork, members are invited to push the boundaries of their gaming prowess while forging lasting friendships

IEEE STUDENT BRANCH MIT-ADT

The IEEE Student Branch at MIT-ADT is a dynamic community driven by a passion for technology and innovation. Committed to advancing knowledge and fostering collaboration, the branch offers diverse opportunities for aspiring engineers and technologists. Through cutting-edge events, workshops, and competitions, members explore the forefront of technology, engage in hands-on projects, and connect with industry leaders. With a focus on inclusivity and community, the IEEE Student Branch at MIT-ADT empowers students to push boundaries and shape the future through innovation and technology.

CYBERSECURITY AND BLOCKCHAIN CLUB

The MIT Cybersecurity and Blockchain Club (CBC) serves as a dynamic hub for students passionate about the fusion of cybersecurity and blockchain technology. Committed to advancing knowledge and fostering collaboration, the CBC empowers members through engaging events, workshops, and expert-led discussions. With a focus on shaping a more secure and decentralized future, the club cultivates a vibrant community dedicated to driving innovation and addressing pressing challenges in digital security.

LEAPE OF GRACE

LEAP OF GRACE Dance Club, where movement knows no bounds and creativity flourishes. With a dedication to excellence and inclusivity, this vibrant community provides a platform for dancers of all levels to express themselves freely and explore the artistry of movement. Through electrifying performances, immersive workshops, and collaborative projects, members embark on a journey of self-discovery and growth, guided by experienced mentors and surrounded by like-minded enthusiasts. Join us in embracing the joy of dance and unleashing your passion for artistic expression.

BETWEEN THE LINES

Between The Lines Book Club is a vibrant community fostering a love for literature and meaningful discussions. With a curated selection of diverse works, members embark on enriching literary journeys through engaging discussions and shared experiences. Committed to igniting intellectual curiosity, the club promotes lifelong learning and the power of storytelling.

GOOGLE DEVELOPER STUDENT CLUB

Google Developer Student Club (GDSC), where aspiring developers and tech enthusiasts come together to transform ideas into reality. This dynamic community offers a collaborative platform for students to enhance their technical skills, engage in hands-on projects, and participate in workshops and hackathons. With a focus on learning and growth, GDSC empowers members to build practical solutions and make a tangible impact through the power of technology. Join the Google Developer Student Club and embark on a journey of discovery, creativity, and technological advancement.

IDEATE

IDEATE is a pioneering force in the realm of UI/UX design, dedicated to redefining digital experiences through innovation and user-centric principles. With a focus on fostering creativity and functionality, IDEATE cultivates a vibrant community of designers, developers, and visionaries. Through collaborative ideation sessions, workshops, and industry insights, IDEATE empowers individuals to craft immersive digital experiences that captivate users. Committed to excellence, IDEATE envisions a future where every interaction is intuitive and engaging, shaping the landscape of UI/UX design with cutting-edge technologies.

CLOUD COMPUTING CLUB

The Cloud Computing Club is a dynamic community fostering innovation in cloud technology. Dedicated to nurturing talent, the club offers hands-on experience, collaborative projects, and industry insights. Through workshops, seminars, and real-world applications, members gain essential skills for success in today's digital world. With a vision to inspire future leaders in cloud computing, the club drives transformative change across industries.

SHIVRAY DHOL TASHA PATAHK

Immersed in the vibrant tapestry of Maharashtra's cultural heritage, the Shivraya Dhol Tasha Pathak stands as a beacon of tradition and rhythm.

With resounding beats that echo through the ages, this illustrious ensemble embodies the essence of Maharashtra's rich cultural tapestry.

Dedicated to preserving and promoting the cultural legacy of Maharashtra, the Shivraya Dhol Tasha Pathak captivates audiences with its mesmerizing performances. Infused with passion and pride, each beat of the dhol resonates with the spirit of Maharashtra, evoking a sense of unity and celebration. As torchbearers of tradition, the Shivraya Dhol Tasha Pathak showcases the dynamic fusion of music, dance, and folklore that defines Maharashtra's cultural identity. With each performance, they ignite a sense of pride and nostalgia, weaving together the threads of tradition and modernity to create an unforgettable tapestry of sound and spectacle.

MIT ADTU ADVENTURE CLUB

The MIT ADTU Adventure Club embarks on a journey to blend exhilaration with education, providing students with thrilling experiences intertwined with valuable lessons. Committed to fostering personal and professional growth, the club offers diverse activities aimed at inspiring curiosity and igniting a passion for adventure. With a dedicated team of adventurers and mentors, they cultivate camaraderie, resilience, and a thirst for lifelong learning. Whether scaling mountain peaks or navigating untamed wilderness, members embark on transformative journeys, leaving indelible memories in their wake.

HERITAGE YATRA

The Heritage Club stands as a bastion of cultural preservation and celebration within the community. With a resolute dedication to honoring collective history and natural heritage, the club's motto is rooted in fostering pride and connection to our roots. Through diverse educational initiatives, community outreach, and preservation efforts, it ensures the cherished treasures of our heritage endure for generations.

SAE COLLEGIATE CLUB

SAE Collegiate Club, where aspiring engineers and innovators come together to push the boundaries of technology and creativity. This dynamic community is dedicated to nurturing talent and fostering a collaborative environment through hands-on projects, workshops, and competitions. By participating in SAE's diverse activities, members gain invaluable practical experience, refine their technical skills, and contribute to groundbreaking engineering solutions. Embrace the opportunity to work alongside like-minded peers, develop your problem-solving abilities, and make a significant impact in the world of engineering. Become a part of the SAE Collegiate Club and accelerate your journey towards engineering excellence and innovation.

TED-X

TEDx Club, where budding entrepreneurs and thought leaders converge to ignite their passions and foster their talents. This dynamic community is dedicated to providing a platform for sharing ideas, hosting impactful talks, and engaging in collaborative projects that drive change and fuel personal and professional growth. With a commitment to empowering members to explore new horizons and challenge the status quo, the TEDx Club nurtures creativity, encourages critical thinking, and supports the journey of every aspiring entrepreneur. Join the TEDx Club and embark on a transformative journey of discovery, innovation, and limitless possibilities.

MIT ELECTRIC VEHICLE (EV) CLUB

The MIT Electric Vehicle (EV) Club is dedicated to pioneering sustainable transportation solutions and reducing carbon emissions. Through innovative technology and collaborative projects, they inspire a new generation of environmental advocates.

FOODPRENEURS CLUB

The Foodpreneur's Club is a vibrant hub dedicated to fostering innovation in the food technology sector. Committed to empowering aspiring foodpreneurs, the club provides essential tools, resources, and mentorship to cultivate creative ideas into successful ventures. With a focus on taste, health, and sustainability, the club hosts inspiring events, offers expert guidance, and fosters a supportive community to drive positive change in the culinary landscape. Its mission is to be a catalyst for realizing foodpreneurs' dreams and ushering in a new era of gastronomic excellence.

CINEMANIACS

The Movie Club is a dynamic community united by their devotion to the art of storytelling on the silver screen. With an unwavering passion for cinematic brilliance, members gather to explore, analyze, and revel in the rich tapestry of films. From timeless classics to cutting-edge works, the club offers a platform for enthusiasts to immerse themselves in diverse cinematic experiences. Through lively discussions, screenings, and interactive sessions, participants uncover the intricacies of filmmaking while exchanging valuable insights and perspectives.

SYNAPSE.AI

Synaps AI, where enthusiasts and professionals unite in a dynamic and supportive atmosphere to advance their skills and unleash their creativity.

With a commitment to igniting passion and nurturing talent, this innovative community hosts cutting-edge workshops, insightful seminars, and collaborative projects, empowering members to explore the vast possibilities of AI with confidence. Join Synaps AI and embark on a journey of technological discovery and groundbreaking innovation.

MIT ADT HUMAN LIBRARY

MIT ADT Human Library, where individuals from diverse backgrounds unite in a supportive atmosphere to share their life experiences and insights. This dynamic platform is committed to fostering a culture of empathy, understanding, and mutual learning. Through engaging conversations, workshops, and collaborative endeavors, members are empowered to explore various fields of life, expanding their horizons and enriching their perspectives. Join the MIT ADT Human Library and embark on a journey of shared growth, where every story becomes a bridge to greater understanding and personal development.

YUVARTH

Yuvarth, the club of young minds dedicated to solving challenging problems. In a supportive and collaborative environment, Yuvarth empowers members to tackle real-world issues through creativity, critical thinking, and teamwork. This dynamic community organizes competitions, workshops, and collaborative projects, inspiring members to push boundaries and develop innovative solutions. Join Yuvarth and embark on a journey of intellectual growth and impactful problem-solving.

CODECHEF

CodeChef Club, where aspiring software engineers of all levels unite in a supportive atmosphere to hone their skills and unleash their potential. With a commitment to developing industry-ready individuals, this dynamic community offers challenging problems, competitive programming contests, and collaborative coding sessions. The CodeChef Club empowers members to tackle real-world issues with confidence and creativity. Join the CodeChef Club and embark on a journey of technical mastery and professional growth.

LAGGAR FALCON AERO CLUB

Laggar Falcon Aero Club, where aspiring aerospace engineers come together to push the boundaries of flight and technology. This dynamic community, dedicated to fostering a passion for aerospace engineering, offers members a platform to explore, learn, and innovate through hands-on projects, workshops, and collaborative initiatives. By joining the Laggar Falcon Aero Club, you will immerse yourself in an environment that encourages creativity, technical excellence, and teamwork, empowering you to turn your aerospace ambitions into reality.

PHOTOGRAPHY CLUB

Photography Club, where photographers of all levels come together in a nurturing environment to refine their skills and unleash their creativity. Dedicated to igniting passion and nurturing talent, this dynamic community organizes exhibitions, workshops, and collaborative projects, empowering members to capture and share their unique perspectives with confidence. Join the Photography Club and embark on a journey of artistic discovery, capturing memories that last a lifetime.

PAINTING CLUB

Painting Club, a dynamic community where artists of all levels come together in a supportive atmosphere to develop their skills and unleash their creativity. Committed to igniting passion and nurturing talent, the Painting Club offers a variety of opportunities for artistic growth, including exhibitions, workshops, and collaborative projects. By joining this vibrant community, members can confidently explore their imagination and artistic potential. Embark on a journey of artistic discovery and expression with the Painting Club, and elevate your creative abilities to new heights.

MUSE

The Muse Music Club is a dynamic community dedicated to fostering creativity, expression, and musical exploration. With a commitment to inclusivity and support, the club offers a platform for musicians of all levels to connect, collaborate, and grow. From jam sessions to workshops, performances to open mic nights, members are encouraged to unleash their artistic potential and contribute to the vibrant tapestry of musical innovation.

GROOVANCE

Groovance, the Classical Dance Club, is dedicated to preserving and promoting the timeless artistry of classical dance forms. With a mission to celebrate heritage and elegance, Groovance offers training sessions, performances, and workshops to nurture talent and foster appreciation for classical dance. Through engaging events, the club aims to enrich the university community with the grace and allure of this traditional form of expression.

HIPHOP KANYA

Hip-Hop Kanya, a dynamic force in the urban culture scene. With a fusion of rhythmic beats and lyrical prowess, this club embodies the essence of urban expression, captivating audiences worldwide. Rooted in authenticity and storytelling, Hip-Hop Kanya's electrifying performances transcend boundaries, offering a glimpse into the realities of urban life while inspiring hope and resilience. Through their unique blend of lyricism, rhythm, and style, Hip-Hop Kanya invites listeners on a journey of self-discovery and empowerment, celebrating individuality and the power of voice.

SAMARPAN CLUB

Samarpan, standing as a beacon of innovation and collaboration in mechanical engineering, is dedicated to empowering students with knowledge, skills, and opportunities for academic and professional excellence. Through diverse events, workshops, and projects, Samarpan inspires creativity, fosters leadership, and builds camaraderie among members. With a commitment to pushing the boundaries of engineering, Samarpan serves as a catalyst for growth, exploration, and success in both academic and professional endeavours.

MECHANICAL ENGINEERING STUDENT ASSOCIATION

Mechanical Engineering Student Association (MESA), where aspiring engineers come together to sharpen their skills and ignite their creativity. This vibrant community is dedicated to fostering talent and passion through a supportive atmosphere, hosting a range of activities such as technical workshops, industry visits, project exhibitions, and collaborative ventures. MESA empowers its members to explore new ideas and challenges with confidence, providing a platform for professional growth and hands-on learning. Join the Mechanical Engineering Student Association and embark on a journey of engineering excellence and discovery.

TEAM VOLTA

Team Volta, where innovation and collaboration converge to drive excellence in technology and engineering. This exceptional team thrives on pushing boundaries, solving complex problems, and crafting groundbreaking solutions.

With a focus on fostering a culture of creativity and technical expertise, Team Volta engages in a range of transformative projects and initiatives. Their commitment to excellence is reflected in their collaborative efforts, innovative problem-solving, and impactful contributions to the field. Join Team Volta and be part of a pioneering journey where every challenge is an opportunity for growth and every idea has the potential to shape the future.

IGNITE

IGNITE is a dynamic community dedicated to igniting the spark of creativity and innovation within its members. With a clear mission to empower individuals to unleash their full potential, IGNITE offers a vibrant ecosystem of ideas, resources, and mentorship. Through a variety of events, workshops, and projects, IGNITE cultivates a culture of exploration, experimentation, and collaboration, encouraging members to push boundaries and make their mark on the world.

SPEEDTAIL RACING

The Speedtail Racing Club is a vibrant community united by a passion for automotive innovation and societal impact. With a focus on fostering competitiveness and sustainability, the club pushes boundaries in technology while making positive contributions to society. Through hands-on projects and competitions, members develop practical skills and strive for excellence. Emphasizing professional and personal growth, the club empowers individuals to excel academically and contribute meaningfully to automotive innovation and beyond.

THE INFUSION CLUB

The Infusion Club, where taste meets wellness in a harmonious blend of flavour and nourishment. This visionary collective is dedicated to redefining taste through the art of infusion, prioritising health and culinary innovation. With a focus on quality ingredients and mindful preparation, members embark on a journey of taste exploration, savouring delightful concoctions meticulously crafted to invigorate both body and soul. From refreshing herbal blends to invigorating fruit infusions, every sip is a celebration of health, vitality, and culinary excellence
