

6.5.1

Internal Quality Assurance Cell (IQAC)/ Internal Quality Assurance System (IQAS) has contributed significantly for institutionalizing the quality assurance strategies and processes, by constantly reviewing the teaching-learning process, structures & methodologies of operations and learning outcomes, at periodic intervals Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes visible in terms of – Incremental improvements made for the preceding five years with regard to quality (in case of first cycle), Incremental improvements made for the preceding five years with regard to quality and post accreditation quality initiatives (second and subsequent cycles) Describe two practices institutionalized as a result of IQAC initiatives within a maximum of 500 words

Preamble

This index provides a structured overview of documents fundamental to our institution's academic and operational framework. It highlights policies, procedures, and initiatives designed to support academic excellence, curriculum innovation, and quality assurance. The collection reflects a commitment to structured decentralization, effective resource management, and continuous improvement, ensuring alignment with institutional goals and educational standards. Each document serves as a resource for fostering academic integrity, enhancing the quality of teaching and learning, and equipping leaders with tools for sustainable development and growth across various academic and administrative units.
